

## WHY CHOOSE AMURT & AMURTEL FOR CONTRIBUTING TO HAITIAN RELIEF?

The whole world is deeply pained from the terrible suffering arising from the devastating Haiti earthquake. Your genuine desire to help can best be realized by donating to a relief agency that serves the victims like no other.

Here are seven (7) vital reasons why [donating to AMURT & AMURTEL is your best choice](#):

1. **Long-Term Commitment** — AMURT & AMURTEL's involvement in Haiti did not begin with the recent earthquake; we've been there since 1986. Today AMURT & AMURTEL employ scores of people in teams working in health, environmental recovery, reconstruction, education, cooperatives and other related areas.
2. **Trust & Respect of the Local Populace & the Government** — Because AMURT & AMURTEL have successfully operated NGO (Non-Governmental Organization) projects in Haiti for years, we have earned the trust and respect of the local people and the government. And, our workers take on the difficult, much-needed tasks that others often shun.
3. **On-going Commitment** — AMURT & AMURTEL won't just "pack up and leave" Haiti after two months. Many disaster relief organizations offer emergency help only in the first weeks, but for us that's just the first phase of an effort that continues for months and often years afterward. AMURT & AMURTEL will continue to develop more long-term community projects in Haiti to help rebuild the lives of the earthquake victims.
4. **Cost Effectiveness** — AMURT & AMURTEL have set the bar high, even being called "*the low-cost NGO*" because we do maximum relief work with minimal overhead. We focus on taking at least 90% of all donations to the field rather than using substantial sums for increased administration or for marketing campaigns.
5. **Broadest Scope** — Award-winning and worldwide in scope, AMURT & AMURTEL are not just implementing agencies; we also facilitate a dynamic process to actualize each person's full potentialities. We develop close and lasting relationships with the local population through trainings to create leaders and empower communities with a cooperative spirit, thus fostering their self-reliance rather than dependence on external aid. Additionally, AMURTEL focuses on the special needs of women and children during disasters.
6. **Donating is Easy & Safe** — AMURT & AMURTEL, founded in 1965, are tax-exempt under Section 501c3 of the US Internal Revenue Code. Your contributions are always processed securely, and your information is never shared with third parties.
7. **Deep Inner Satisfaction** — Your donation to AMURT & AMURTEL will help the maximum number of people per dollar. **What can be better than that?**

Thank you in advance for your kind & generous help for [Give Your Heart to Haiti](#).
