RAWA Programs

Two days of evening Rawa had participation from Margiis of Kyrgyzstan, Uzbekistan, Kazakhstan, Russia, Korea, Mongolia and Taiwan who shared their traditional songs and dances.

Historical 1st Sectorial Conference in Kyrgyzstan

We completed our first Sectorial Conference in Kyrgyzstan at the Talisman Resort on the scenic Issyk Kul Lake from September 9-12.

Altogether there were 240 attendees from from Kyrgyzstan, Uzbekistan, Kazakhstan, Russia, Ukraine, Korea, Mongolia, Japan and Taiwan joined the 25 Acaryas during the historic 4 day Conference-our first in Central Asia.

Traditional Kazak Folk Song

Our 4-member Cosmic Love band from Russia entertained the audience on the second day with a remarkable array of songs from Prabhat Sangiita, Kabir English ecological songs and Russian folk songs.

Specially invited guest, Mr. Pathak led a three hour RAWA workshop after which the ten participants performed on the RAWA night.

Road Leading to Issyl Kul Lake Resort

The beautiful location, devotional Kiirtans, loving Margiis, excellent RAWA performances, clean air and delicious food made it one of our best Sectorial Conferences ever.

Celebrating Prabhat Sangiita Day

SS Dada convened a meeting with 30 Bhukti Pradhans, Unit Secretaries and important Margiis from Central Asia and Russia. All were very satisfied with the Conference result and readily agreed to SS Dada's proposal to hold a DMS in the same venue in September, 2021 as part of Baba's Birth Centenary celebrations.

The comfortable accommodation lodged all of the Acaryas in 9 separate houses each with attached toilet and bathrooms.

All in all it was an unforgettable Conference that has again spurred a new energy for the growing family of Margiis and Acaryas of Hong Kong Sector.

The busy program included two Akhanda Kiirtans of 12 hours and 9 hours; six different classes on Spiritual philosophy, social philosophy, education and good news; Sadhana Shivr, Revolutionary Marriage, Nagar Kiirtan and Baba's video. Free time was utilized to walk along the clean beach or take photos of the stunning beauty of the snow-capped mountains that encircled the serene and visually uplifting environment.

Refuge for All

Api cet sudurácáro bhajate
mámananyabhák;
So'pi pápavinirmuktah mucyate
bhavabandhanát.

[If even the most wicked
people worship Me with a
concentrated mind, I will
liberate them from the three
bondages (physical, psychic
and spiritual).]

A durácárii is one whose action
tells upon society, one whose
conduct is harmful to others. One
who is called durácárii by another
durácárii is a sudurácárii.

It is said in the scriptures, and
logic also says, that as is the action,
so is the reaction. But if time, space
and person change, the reaction
can be either more or less.

Then is there no future for a
sudurácárii? No, it cannot be so.
They also have a future. To err is
human; the error may be big or
small. Those who commit mistakes
are also members of our family;
they are also persons in society.
Where will they go?

"If, leaving every thing, a
sudurácárii takes refuge in Me [the
Lord] and meditates only on Me
without any second thought, his

sańskáras [mental reactive
momenta] shall also be finished and
he shall be freed from all sins." One
who sings My name and takes
shelter in Me single-mindedly gets
liberated."

Parama Puruśa is your closest
friend. You are never alone. He
cannot be indifferent to your
sufferings. He feels your pain. Act
as per His biddings and get free
from your sufferings.

It gives me immense pleasure to bring out our Mahavishva newsletter for Hong Kong Sector. The magazine provides valuable information about various activities such as news, projects, calendar for all the events in HKS, fasting and festival chart etc. During the last six months great work has been done by margiis and workers of Hong Kong sector. Please see inside the magazine. I am very confident that HK Sector Newsletter Mahavishva always brings new ideas, lot of good news and inspirational work of Baba. HK sector is moving with firm determination and with the clear goal of serving the suffering humanity, trying to help various projects in our Sector as well as AMPS Central projects such as: Ananda Nagar village schools, Baba's birth place -Jamalpur, Varanasi and Davao TC and many other places in the world.

We are expanding our mission through different kinds of work and special pracar -Meditation Steps Pracar Platform. The vision of HKS is to do maximum pracar to create maximum WTs, LFTs, margiis, service and trying our best to establish all Master Units in true sense as self-sufficient and inspiring model for future generation. All workers of the sector are very much inspired and motivated to work for Baba's mission with His main principles of code of conduct to keep the one-structure policy in our sector, and make our best efforts to set a good example.

Society is passing through many problems and situations. This is our best opportunity to serve Him, experience His blissful presence and do something concrete for humanity, because everything is done by His grace and by His wish. As devotees and cadre of Baba, we have so much chance to serve all in every situation, only by taking His name. By His grace we will make a truly healthy universal human society as per Baba's wish.

I extend my gratitude to our SPRS Dada, Ac Shiilabhadrananda Avt Jii for his hard work to keep Mahavishva regularly published. My deepest thanks to all margiis, brothers and sisters and WTs for their effort to help establish Baba's mission everywhere in the world. We all have been so much busy during last 6 months to accomplish so many activities.

Wishing you a very Happy New Year greeting. Let the new year be more joyful , inspiring and energetic to move forward in His path and in His mission. Let us solve all problems by Baba's grace and by our sincere and active effort for Him. Param Piita Baba kii — JAY !

Ac. Shubhaniryananda Avt.
SS Hong Kong Sector

It's a wonderful honour to share my feelings through Mahavishva.

By His grace, during the past 6 months, the coordinated cooperation of margiis and acaryas, has resulted in the opening of new paths and the reinvention of new ways to do His mission, for self liberation and service to the suffering humanity.

As Baba said: "Clouds cannot overcast the sun for a long time. The creatures of darkness never want the expansive exaltation of human society. Even then, humanity shall march ahead. None can arrest the speed of its progress. You be the harbingers; you be the pioneers of this victorious march. See that not a single individual lags behind."

The Hong Kong Sector family is like a beautiful garland around His neck, always ready to sacrifice & work in unity for Him.

By the grace of our beloved Baba. Thank you.
